From the Dugout

Specialize or diversify?
 Personally, I am torn between my "old-school thinking" of doing one thing and doing it well and the "new school" of diversity and multi-tasking. I need to diversify to support the lifestyle to which I am accustomed and I need to specialize so that my clients will call on me when they have a particular need. I've found that both have merit, so in the end.... I'm specializing in diversity.

'til next time, Keith
